“ *DD made work fun. No, we did not work together. I was a cashier at Big Bear and she became my favorite customer. I looked forward to her visiting me every week. We would catch up on each other's lives every week. She would wait in my line to visit even though other cashiers were available and would try to coax her to their line. She was one of the kindest, nicest, most down to Earth people I ever met. We exchanged cards and went to lunch together. She and Donny came to my wedding. My husband and I went to her 100th birthday party. She is a class act and a bright spot in so many lives!*

“ *We are very sorry to hear about your mom's passing. Your mom was such a wonderful lady and what an amazing life she lived! Our parents were good friends of Dee and Don and we remember visiting with them many times throughout our lives growing up in Worthington. Our parents thought the world of your parents. Take comfort in knowing that your Mom and Dad were such wonderful people and they are finally together again, looking over you and giving you strength to get through this most difficult time. She will live on in your hearts with so many wonderful memories. We are thinking of you all!*

Sincerely,

The Bill and Lale Ruth Family (Bill, Mike, Steve, Pat & Alicia)
