“ *Dolly was our next door neighbor for over thirty years, immediately north. She was always smiling, gracious and pleasant to be with. Never a single moment of neighborly problems. She never had a bad word about anyone. She kept an immaculate lawn with attractive shrubs and trees. We will miss her beautiful presence and loving soul. Due to flu-like symptoms and severe horseness we were unable to attend visiting hours and funeral. Chester and Mary Winter*

“ *We are so sorry that we cannot attend any of the services for Dolly. We knew her through the Worthington Historical Society. We will remember very fondly working along side her at the many June yard sales and chatting with her in the Gift shop. She was a wonderfully bubbly person with that always big and warm smile on her face at each greeting. We will truly miss her but will remember her, for a long time to come, by picturing her happy, smiling face. We will make a donation to the Worthington Historical Society in her memory. Fondly, John and Steffanie*
