“ *Don was a good friend and always fun to be with him and Betty. I enjoyed playing music with Don and seeing how much he enjoyed every song we played. Don coached my son who played on the Chief's little league football team with David. We also had fun square dancing for a few years. May God bless the entire family .

“ Don was my surrogate brother. He monitored my dating during high school and in college, as we both attended Otterbein University together. He always advised me as to the appropriate gentlemen from whom I could accept a date request.

Later in our life journeys, we maintained close contact with family members. Once a year all of the cousins met for a "Cousins Dinner" each November. He will be truly missed.

“ We remember and had many fond memories on our Buckeye Booster OSU away games over the past 20+ years with Don & Betty. Then Don introduced us to Gabby's Place, so nearly every Wednesday evening we met there for their Italian buffet. Don was always fun to be around and was one fabulous person. We'll miss you Don.. “ Betty and family you are in my prayers as you celebrate Don’s life. I always enjoyed my time with Don during our days at GMAC. He was laid back and made work a fun experience. If prayer cards are available, I would like to have one.
