“ *I'll never forget one year when the folks of Northwest Nazarene were especially generous in their Faith Promise pledges, soaring past the goal. When the figure was revealed, I was standing near Don as his eyes immediately filled up and squirted tears of joy and thankfulness --- and I couldn't help it, my eyes did, too. He sure had a contagious love for God and for introducing people to the Lord, which is why we'll give an extra gift to Jesus Film Harvest Partners in Don's name. His deep commitment to missions, showing the Jesus film on Work & Witness trips, sharing his faith with prison inmates and visiting church visitors has inspired us for years and will continue to do so. God bless you, Venus and the entire family, as you carry on his mission to be Jesus to anyone and everyone. May the Lord fill that void in your heart with His matchless love. --- Dave & Debbie Poole*

“ *Venus, we were shocked and saddened to learn of Don's passing. I assure you he will be missed. With your firm spiritual beliefs we know he is in a better place and we ask for your well-being.*

Never will an April Fool's Day pass but which I will not recall the fun we had over the note I left under your windshield at the Honey Dip Diner. We also shared the same table at George's; table number 7.

“ Don has lived out his testimony to many people whose lives he has touched, and I am thankful to have known him in multiple situations. He had a burden for lost souls that is unquenchable and loved to pursue the will and word of God regularly. I have great memories of Don at the prisons, in church, and bible life class. He is a unique creation of God and I expect a large welcome party for him as he enters eternity to finally meet his creator and savior. I can see his grin now! He will be missed but not forgotten by all who have known him here. I am happy for his awesome reward that nothing else can compare to.

“ Aunt Vee and the rest of the family, We are sadden to hear of the death of Uncle Donnie, but rejoice in knowing he is walking the streets of gold with our Lord and Savior. When I hear of Uncle Donnie passing, my first thought was how he was completely healed, and he was able to see my grandmother again. I always enjoyed your visits to North Carolina. As a child, I remember how Uncle Donnie would let me walk on his feet while he guided me. The lives he has touch, the people he has guided, the souls he has won for Christ. He has left a wonderful legacy to our family. Please know Nick and I are praying for God's comforting grace to pour over you. Much love!

“ Truly a man of God who served his Savior with a humbled heart. Don was an example of holiness and Christ's love to all he met. He was an example of a "pray warrior" and spent his life walk on his knees seeking God's guidance and intervention on behalf of many- including me!

Knowing he's in Heaven celebrating with our Lord, brings comfort but his passing leaves a hole in our world that is filling with tears of sadness.

Heaven got a little louder yesterday when Don was welcomed in!!
See ya at the "party"!
