

Donald T. Bertler

October 28, 2012

Donald T. Bertler, age 84, passed away on Sunday, October 28, 2012 in Columbus, Ohio. He was born in 1927 in Manitowac, Wisconsin to George and Johanna Bertler. Don was an X-Ray Technician at Joel Pomerene Hospital in Millersburg for 18 years and a Real Estate Broker for over 30 years in Holmes County. He was a veteran of the United States Army. Don is survived by his wife of 58 years Betty Bertler; daughters Ann (Bradford) Signet and Elaine (Mickey) Ault and son Tom (Teresa) Bertler, as well as 8 grandchildren and 2 great-grandsons. Mass of Christian Burial will be celebrated 9:00am. Saturday, November 10, 2012 at St. Peter Catholic Church, 6899 Smoky Row Rd., Columbus, OH 43235 with The Reverend Justin Reis, Celebrant. In lieu of flowers, donations may be made to The American Red Cross of Greater Columbus, 995 East Broad St., Columbus, OH 43215, in Don's memory. The Rutherford Funeral Home at Powell, 450 West Olentangy St., Powell, OH 43065 (614)-792-1471 assisted the family. Please visit www.rutherfordfuneralhomes.com to send condolences to Don's family.

“ *The Knoffler Tapes Rule!!! My family and fredins still talk about the copy I had 15 years ago. In the many moves I've done I lost that tape (along with my favorite Plasmatics Tape (The Maggots)). I can finally relax knowing that I have aquired the last piece of my rare audio collection. Thank you for this, it's pretty clever, eh little chum?*

“Projekt Stanje duha, ki sta ga pripravila in izvleda lončar Igor Bahor in vsestranski umetnik Lado Jakšič pred nedavnim v Radovljici, sodi med sodobne interakcijske dogodke, kjer se v harmonično celoto združujejo glasba in keramika, rokodelstvo in perfekcija, stara tradicija in sodobna avtonomna umetnost. Osrednjo pozornost si zaslužijo timanice, to so stari glineni pripomočki za graditeljski način ozvočenja sakralnega prostora (kartuzija Pleterje), ki so Igorja Bahorja vzpodbudile, da jih je razvil v sodoben glasbeni in likovni pripomoček in ga z elementarno obliko lončarske posode, prepletene z ustrezno elektroniko, poustvaril v prostorske sklope z likovnimi in glasbenimi sporočili. Timanice Igorja Bahorja so oblikovane z enostavno votlo formo, s poudarjeno barvno glazuro in s premišljeno osvetljavo. S subtilno akustiko je glineno posodo prepričljivo preobrazil v sodoben keramični medij in ustvaril mistični prostorsko vizualno zvočni učinek. Igor Bahor usmerja svoje ustvarjanje v kreativno iskanje novih možnosti in pomika meje keramike med afirmirano likovno ustvarjalnost. Z občutljivostjo, doslednostjo in v sozvočju z Ladom Jakšič razvija nove možnosti izražanja, ustvarja bogato vizualno raznolikost akustičnega ambienta ter vzpostavlja stanje duha, kjer doživimo nepozabno likovno in glasbeno vsebino kot harmonično celoto.

SL

“Dear Betty and Family, My sincere sympathy to you and your family. I remember when you & Don & children would stop by mom & dad's farm, to buy eggs, or just to visit. Betty, I will always remember your mom & dad. I still think of them often. Angels hover close to those whose hearts are breaking -- may angels wrap their wings around you and bring you peace and strength.
