“ *I attended First Lutheran Church in Canton, Ohio, when Mr. Bogaards came there as our organist. My mother thought it would be a good idea for me to take organ lessons since I had taken piano lessons from age five. I took lessons from him until he left our church for the job at Augsburg. I remember that he was very patient with me as I struggled to play the pedals. I was able to take some lessons in college and can say that I have served as a church organist for 35 years now, thanks to my beginnings with him. What a great legacy he has left behind. Please accept my sympathy in your loss.*

“ Carol and Family - We are sorry for your loss of a wonderful husband and father. We have fond memories of those student days at Westminster and the trips into NYC. We can only imagine the joy he is now experiencing in the joyful music making in heaven at the throne of his Savior Jesus! He is healed! He is Home - safe in the arms of Jesus.
