“ Ten years have passed, yet I still think of Donald very often, and all that I have learned from him, especially when it comes to business; what he would do, how he would react...Also the memory of him in his free time at home sitting in his “smoking room” with a cigar and cognac just indulging in life...it’s all still very vivid to me.

His legacy in business manners and hedonism are very special to me and I’m so thankful for having had him in my life.

Sending lots of love to his family in USA. I will continue to cherish all memories of Donald.

“ I was so sad and sorry to hear about Don. I am his birth daughter Lesley. He had a picture of me recently and had written me a letter letting me know I could contact him. He seemed like a great man and awesome attorney! Please accept my full condolences at this saddened time. Know it has been a year and a month. I would have loved to have met him. Hope all is well with the family. Lesley(birth daughter)

“ Dear Cennamo Family, My heart goes out to you during your time of loss. By drawing close to God in prayer the Bible promises that “he himself will sustain you” during this difficult time.—Psalm 55:22. The Bible promises us a hope for a resurrection at Acts 24:15 and it also states at Revelation 21:3-4 that soon "death will be no more". It is my hope that you will find comfort from these few words during this difficult period.
