“ Dear Mary,

*I am so very sorry for your loss. I pray that in time, you will be left with only wonderful memories of your time with Don. Please know that I am right across the street should you need anything.*

“ *Mary, I am so sorry you have to go through such a terrible loss. I hope the years you shared with Don will fill your heart with loving & happy memories each time you think of him & that they will give you strength when you most need it. When I first met Don I wasn't so sure how we would get along, but I came to like him a great deal & enjoy our talks at the mailbox. His silly joking manner always brightened my day. I will miss him. Please know that I am right next door should you need anything. Don always said you were the shy type, but please don't be... call on me anytime. I am home most always & glad to help you should you need it or if you just want some company.*
