“ Uncle Don, you will be sadly missed! Best memory is when you gave Willie the keys to your car, which was parked behind the church, the day we got married! We will never forget you or all the good times we had over the years. Love to the family, Cindy and Willie

“ To Don's family.
I was sorry to read of Don's death. I enjoyed the friendship we had through the years that I knew him as a volunteer and fellow golf bud. I remember his humor and coffee stained shirts. He stands tall in my mind as a true gentleman with a heart of gold. He was a good friend to me, and for that, I am grateful to have known him.
