“ *Deepest condolences to the Wick and Rockford families. The pictures tell a beautiful story of the family man as I only knew him as a business man, a very good one.*

“ *He was truly my brother. One of a kind, lived life his way and always very entertaining. Dickerson gatherings won't be the same without him. It's comforting to know that he's now sharing his wisdom with family and friends that went before him. He's forever in hearts. ❤️*
