“ Dear Pat and members of Don's family: I was saddened to read of Don's passing this morning. The last time I visited him, it was apparent that he probably didn't know that I was there, but I left a chocolate Frosty for him and hope that he enjoyed it. May he rest in peace. He was a genuinely GOOD MAN and will be missed. With sincere condolences, Tom and Mary Ann Reed

“ Uncle Don, you will be dearly missed by all of us in Arizona. You have been such a kind soul and helped keep my Mom's spirit alive through the stories and memories you shared of her. I will hold with me the great memories of you and the trip years ago when you took me to the Longaberger Basket factory. My prayers and thoughts are with your family! Rest in peace. Love you!
