“ I am SO sorry to see a wonderful friend and hard working member of our program, leave this life. I will truly miss him, he was such an outstanding example of the program helping a member live well through extremely difficult times. I know he's in a better place, BUT I will miss him so and will be here to help in any way I can. I would be there in person to offer my condolences but I have a Horrible cold and don't want to be in large crowds and give the cold away Love,

“ No doubt about it, Don loved to help people. He had a soft spot especially for those who suffered with addictions. Even with all his challenges, he was like the Energizer bunny. He kept going and going with a ready ear and a helping hand. May he now be in peace, pain free and present with our Lord and Savior.
