“ *You all came to Hilton Head many times, metal detecting. Enjoyed going to tennis matches with Donna. Life is full of mysteries, I was Jan Bourque, now Jan St. Julien. Many fond memories, looking through web sites found this. So very sorry, such a great person. Been maybe 40 years, wow. RIP Donna*

“ Donna was on the Clothes Closet's Board of Trustees (Marysville) for many years. We looked forward to her weekend's of volunteering. Donna's smile and support helped many a person. Justina Jones, a fellow volunteer noted, that Donna helped encourage her through a thyroid surgery by providing information and reassurance. Donna sometimes brought a grandchild with her and showed them how to help. She was patient and always kind. Donna was compassionate towards the persons with developmental disabilities who attended her church. She was never judgmental. Donna was also a great style consultant and helped guide the Clothes Closet, through her opinions and assistance in decision making. We are so sad!

On another note, our family loved the Christmas tree farm and have years of photos and happy memories choosing and cutting down trees. Donna truly made a difference in so many lives!
