“ Donna was a great lady! She was a wonderful client of mine in the mortgage business, she always said she gave me the first look on all her business because I gave her attention when she first started. I called her my Columbus Mom, she will be deeply missed! God Speed my friend until we meet again.

“ I have known my Aunt Donna almost my entire life. She loved her family more than anything - and she always let me know that Ed and I were a very close second. There was no one more passionate about her children and grandchildren than Donna. I sat in her living room and watch Neil Armstrong take that first step on the moon. I remember her and Len on the motorcycle. Leonard and Donna took me to three Indy 500s (and I still watch it every year). When I was ill, she had four skyline chili plates delivered to my home in California. Only Donna could buy those “not for sale” plates from Skyline.

Donna will be missed like few others. One of a kind only begins to describe her.

“ We will always remember our visits to Ohio for family gatherings - the laughs and the fun - Donna's warmth and welcome was a memorable part of that. Her fierce love and loyalty for family, especially for Len and her children, was something to see. She was a great sister-in-law - one of a kind and we will miss her! - Jack and Susan

“ I didn't know Donna for a long time but I wished I did. She was always full of life and laughter. She always took time out to just say hi and to see how I was doing. She will be remembered.

“ *My favorite memories of Donna are going as she called it junking. She had a keen eye for antiques and things of value. We spent many days laughing and finding treasures. But I know that the one thing she valued most was the love for her family. ❤️*
