“ *I am truly saddened by Donna's sudden passing. I worked with Donna and her office was just across from mine so we saw each other almost every day. Donna and I talked about the newest products for keeping us young. I had no idea until now of her age. I wish I could tell her that she truly was winning the battle. She would have liked that. I will miss her playing the Buckeye Battle Cry as loud as her speakers would go at 4:00 on Friday before a football game. I will miss her and her lighthearted manner. My deepest sympathy to her family in this time of sorrow.*

“ *My sympathies and condolences to Donna Kennedy's family. I too worked with Donna at OCLC for many years and she was a true gem. She had such a way of making us laugh. I loved her sense of humor and will miss her very much. I'm glad she got to enjoy Scarlet and her mischievous deeds for a short time. Heaven gained a real Buckeye fan!*

“ *I worked with Donna at OCLC. We found ourselves in class together often since we held similar positions; she was always a lot of fun. I will miss her.*

“ My deepest condolences on Donna's sudden and unexpected passing. I am so sorry for your loss. I had the pleasure of working closely with Donna for 5 years at OCLC in Travel & Meeting Services. I was technically a department of "one." Yet, with Donna's unhesitating assistance and resourcefulness, we were really a team. She had a light-hearted, humorous attitude towards life and shared that perspective with others. Even after leaving the company several years ago, Donna and I continued to e-mail and keep each other current. I will miss her and send your family my heart-felt sympathy. May this be a time of healing and fond reflection for all who had the privilege of knowing Donna.
