“ *I am so sorry to learn of Donna's passing. We had many nice visits together preparing items for the camera club auction. I even ended up taking her to urgent care when she injured her knee. She was kind enough to check in with me every once in a while and it just occurred to me that I hadn't heard in a while. My deepest condolences to her family and friends. I will always have kind memories of her.*

“ *I'm saddened to learn that Donna has passed on. She was delightful. I made her acquaintance in the 80's when I worked as a cameraman for Nils. She was a very friendly, charming and engaging woman. I enjoyed her every time I saw her. My condolences, Will Logan*

“ Karen, I was so sorry to hear about your mother. It is odd for me to see her holding a Golden as I remember the Dachshund's, but then Donna was a dog magnet! I remember so well her as one of the Girl Scout leaders and the year we all got into "tenting". It was always fun at your house and great that your dad built the steps over the chain link fence so we could get to each others houses! Please accept my sympathy for your loss and I hope that soon you'll be able to just remember the good times you had.

“ Lived down the street from Donna and Lindy most of my life. Great people with great hearts. They are both missed. Very special people. My kids have dubbed me the new Donna of the neighborhood. Not sure if I can live up to that ...

“ We have so many wonderful memories of Donna and Lindy. We worked in the same building with them for many years. Donna was quite the character. Lindy was the quiet gentleman who smiled and took it all in. Karen and family, you must be so sad. Just remember, Donna was a funny, wonderful lady. Everyone who met her was her friend. We all loved her. She loved Lindy so much and I'm glad they're back together again. May she Rest In Peace. Cherish all the special memories you must have of this very special lady.

“ My family lived next door to Donna and Lindy on Fenway Road for 10 years. She was always a great neighbor and she loved her dogs. Every time I saw her she always asked about my children after we moved away. I'm so sorry to hear of the loss of my former neighbor. Karen, take comfort with the loving memories of your mother. Rest in peace.

“ I lived down the street from Donna on Fenway Rd 45 years ago. When I got my first golden puppy, Donna was a regular visitor to my yard to check in on my golden. She was a welcome visitor and I always enjoyed her willingness to help me raise my golden. Sorry for your loss. She was a wonderful neighbor.
