“ I was sorry to learn of Donna's passing. We went to North High School together, class of 1964. We reconnected several years ago when I moved to the same community that she lived in before she moved to Kingston. She, Alice Atkinson & I drove to NC to visit Barb Vermillion Paul, another former classmate, we had a great visit together. Donna & I would attend some of the Women's Alumni lunches, too. She was a fun person to be with. May God give Donna's family comfort, peace & the strength to go through this difficult time.
