“ I’ve known Doris since she was director of the Capital Area Humane Society and I was a volunteer. She was a truly beautiful, kind person, always looking for the good in others. Even though we saw the worst in some people in their abuse of animals, Doris always remained optimistic. I will greatly miss our telephone chats. I often find myself, when mulling over a problem, saying to myself as Doris would say, “Let’s think about this.”

*My sympathy to her family. May their consolation be that Doris had great faith and now is enjoying her eternal reward.*

“ *Dear Family,  
Doris was truly a delightful and beautiful person! She was filled with love and grace with just enough spunk to let you know she was well rounded. I would have loved knowing her in her younger days, I'm sure she was quite the gal to have around! I enjoyed her stories she shared and our common love of rescue cats. It was always a pleasure being in her company. She wil be missed, but never forgotten.*
