“ I love you very much and I will miss you. I will miss your smiling face sitting on the couch. I remember last summer when I was in the back yard practicing hitting the ball and I would look in and you would be smiling back at me. Love, Dustin

“ I will always remember your loving smile and your love for Jesus Christ. I am so proud and honored to have had you as a friend and someone that I could call grandma. We have all heard the song, "What a friend we have in Jesus", but I can honestly say, "What a friend I have in Doris Rainey". I love you and will miss you dearly. God Bless
