“ *The last of the Malfe siblings has passed away. Standing next to my Mom, Joan Fabro, is her aunt, Bunny Stratford. This picture was taken on Bunny's front porch in in 2015. Bunny was 93 then. She always lived life her way. She was always the coolest aunt as you can see in the picture. She didn't like being called Aunt as she was too cool for that. She passed away on January 5, 2018. She would have been 96 on her next birthday. Bunny was the youngest of 5 children of Dan and Angelina Malfe. Her siblings were Florence (my grandmother) James, Rocky, Eleanor and Bunny. She was married to Uncle Eddie Stratford. She loved life to the fullest but was very private. May she be at peace now. I love you Bunny.*

“ My name is Misty Fabro Dildine and Bunny was my Great Aunt. I am writing this late, due to I just found out about her passing from my brother Victor Fabro and sister Jackie Mather and I am in complete shock. I loved Bunny as if she was my Mother and through out the years of her life and mine, she treated me like a daughter. Bunny sure did things her way, all the time and she told me this was how I would find out, when everything was said and done. I sure hope that Bunny was not alone when she passed, but if she was, that was the way she wanted it to be, she told me. Well I know now, that she is with Eddie, she missed him terribly. She is with her Mom and Dad, brothers and sisters and all her doggies and that makes me happy for her. I will miss you Bunny. there was no one like you. I love you Bunny and I know that you are resting in peace.

“ I moved into the area about 20 years ago. My rescue dogs became fast friends with Bunny and her Lily. She spoiled them often with specially purchased turkey.  
Bunny was a straight shooter. I quality I respect.  
I would like to think Eddie greeted her as she crossed over. They are enjoying a traditional Italian meal and a few cocktails with their friends. Cheers to you Bunny. The neighborhood will never be the same.

“ I would like to express my deepest sympathy to family and friends. May all your good memories be greater than your sadness during this difficult time. (Isaiah 25:8)

Not only have I lost a sister in law, I have also lost a great friend. Bunny and I talked at length about 2 weeks ago and she told me she had been sick, Have been trying to reach her on home phone and cell phone, buthe no answer. “ My husband Bill and I have the pleasure of living across the street from Bunny. She was more than a neighbor. She is a Blessing. I cherish the Summer and Fall nights we would sit outside with her and talk about anything and everything. She is the most positive person I have ever known. She also was strong in her Faith which is something we shared. Bunny always brought a smile to our face. She loved my little dog and when she saw us out in the yard she came out, clapped her hands and our little Holly ran right to her. I cannot imagine this neighborhood or this world without Bunny. She was a brilliant light on Earth and now a brilliant light in Heaven where she has been reunited with the love of her life Edgar. God Bless you Bunny. You have no idea how much we miss you. We love you so much.  
Bill and Mary Sharp and little Holly too.

*Yesterday I drove down Eastlea because I was thinking of my departed friend. When I drove past Bunny's home and saw the for sale sign, I knew I had to investigate further. I finally went to the auditor's site and found her given name, and was able to find this site. Bunny was a breath of fresh air when it came to aging. She believed that it was better to 'wear out, than rust out'. She made us all smile, driving her sporty red car, and loving every day she was alive. She was a good friend to my dear friend, Marion McRae, who passed suddenly two years ago. Her last words to me were 'keep in touch', I regret that I did not. She now joins the angels...I hope she did not suffer. Peace to all those that loved her!*
