“ *To the Winters family*

On behalf of the students, faculty, and administration of Saint Francis DeSales High School please accept our sincere condolences for your loss. One of the greatest legacies a person can leave is to make the world a better place through their presence. Such was the case with this beautiful soul. To all who have been blessed to know and work with the Winters family it is abundantly clear that they were graced with a wonderful Matriarch.

The importance of faith and family shines through the Winters family. This was modeled by Mrs. Dorothy Winters and in turn carries on through her Children, Grand Children, and ultimately Great Grandchildren.

Please know that the Saint Francis DeSales High School community holds you in our prayers as you celebrate the life of this model of faith, hope and love. May eternal life shine upon her O Lord and may perpetual light shine upon her

Peace and God's Blessings
