“ *My deepest sympathy to Jackie and Doug's children. While I do not know his children, Doug always shared how much he loved his children and how proud he was of them. Doug's face would light up with his radiant smile when talked about them and Jackie, the "Love of His Life". We all will miss him and his positive attitude. My prayers for all of you at this time.*

“ *My condolences to the Deshuk family. I "grew up" on the track with both Tim and Doug as they ran for Firelands and I ran for Oberlin/Eyria Catholic and they were both inspirations to me back then. I wish peace and prayers to the family at this time of your loss of Doug.*

“ Julie, Dani, and Drew,
There are no words that I can say to compensate for your loss. I have always thought Doug was a Class A act and truly one of the best fathers I have ever seen. His energy was electric and his face lit up whenever he talked about you two. You kids were his world and everything he did he had you two in mind. He may be gone from the physical world but he will always be there for you in spirit. My thoughts and prayers are with you. God Bless you all. Love and prayers to you.

“ I had the sheer joy to be Doug's U of A teammate, roommate, and most importantly good friend throughout our college years. Reflecting over pictures and stories the past few days reminds me what an incredibly positive influence Doug had on me. He wouldn't let you take a passive course in his presence. He would engage and make you live life. Some 30 years later, I still hear his words on almost every run I take...."you're just cheatin' yourself" when he knew we weren't giving our all. Rest in peace Doug.

“ *Danielle, Drew, and Julie,*
No words can express the great sadness that is in our hearts and yours right now. We have so many fond memories of Doug, especially when you were younger. He was a caring father who treated his children's friends like family, always made them feel welcome, and always was willing to lend a ride. His legacy shines bright.
