“ *Doug, my brother, you will always be in my heart. You became my brother beyond genetics. Love and peace to you always. I will miss you so. Claudia, you were the best big sister anyone could ask for when we became a family - thank you for keeping us family. Brian, Heather & Kiel, Rob, Carolyn & I always considered ourselves your fathers siblings. We have wonderful stories to tell, always ask. We love your dad - he was our brother.*
