“ *Kay and family, I am so sorry for your loss. I will never forget my first outing with you two, our quest for a DJ for the kids wedding. The laughs that Doug gave us will never be forgotten. I knew then we would be great friends as well as a loving extended family. Thanks to Doug I went to my first OSU game and one heck of a tailgate buffet. The many hours we spent together playing cards, taking road trips, and our dining out dates. I will miss it all. If you need anything please call.*
