“ Memories of you and Doug are so very dear to me. Because Doug was off work so regularly he was a great help tp me chasing down our oldest as I was expecting our third. Then you were the super couple who took in our four month old Kurt as we made a quick weekend trip to Nebraska for my brother-in-law’s wedding 50 years ago.

May all the love you both have always shared support you and your entire family.

*Only good memories of the long ago times we shared,
