“ *Dear Ferguson Family and especially Jennie, I was heartbroken to hear of Doug's passing. I just returned from a 3-week trip down the Grand Canyon and am so deeply saddened that I could not join you for the services. Doug was an incredibly special person, and it was an honor to call him my friend. Just before I left for the Grand Canyon, I sent Doug an email letting him know that I was thinking of him. I don't know if he received it, but it captures what he meant to me. I have cut and pasted it below. My thoughts and love are with you all. - Tim Macdonald * * * * * May 13, 2009 Dear Douglass, I remember writing you a letter when we were 15 or 16 years old, after you had moved to Akron, and saying that I felt lucky to be able to say that I would always have one true friend in this world. I hope you know that that is still true. Although I have not been very good at staying in touch over the years, my thoughts are still with you and your family. From the days at Sunday school to skating on the creek behind your parents' house out in the country, I always valued our friendship more than you can know. After our visit to Miami during the summer of our junior year, I knew that I wanted you to be my roommate and that we would go to Miami together. Although those days feel like a lifetime ago, they are still with me, as is our friendship. As my 20-month old daughter (Fiona) continues to grow, I hope that she will find friendship like ours. I know that you are battling right now and can't imagine how tough it must be, but trust that we are out here thinking of you. As we grow older, I'm not sure that we ever develop again the type of friendships that we had when we were 12 or 13. I will always treasure you, my friend. If there is anything that I can do, please let me know. Thinking of you, Tim*

“ Doug and I were hired at the same time by Forest Labs and trained together back in May, 1999. We became friends and spent a lot of time together during that month of training--over the past 10 years, we kept up well considering he lived in Columbus and I lived in Nashville. Doug was a fun-loving, caring, thoughtful, intelligent guy who always brightened my day with his optimistic outlook and selfless nature. I'll miss him a great deal and feel blessed to have a friendship with him.

“ Cheryl and Rod and families, Gary and I are praying for you and your families. I may only remember Doug as a young child, but the memories are sweet. He grew into such a handsome man. The video portrayed a very happy and fulfilled life, a beautiful wife and numerous friends and hobbies. We should all be so blessed. Sally has kept me informed. Always, Jackie

“ My thoughts and prayers are with you and will continue to be in the months ahead. The Ferguson boys have always had a special place in my heart ,as I had the privilege of being their babysitter in East Liverpool. I will always smile when I think of them in their little cowboy boots. Doug always had an impish smile on his face and won me over from the start. Please know that your family is surrounded by our love and prayers. Dianne[Gaston]Holland and family

“ Doug was our drug rep for the senior health center at Riverside Hospital. I personally enjoyed each short visit we had. He told me about his recurrent cancer and had so much hope for the future. If I recall correctly he was looking forward to buying or building a new home in the Upper Arlington area. He particularly spoke highly of his wife and how life serves up new plans, but somehow we cope and move on. I do hope that Doug had a peaceful death. I do know that he loved his time on earth, but I am sad that he could not become a father as he had hoped for. I am a nurse at Riverside Hospital, a mother, a grandmother and wife, so please accept my condolences. May God give you strength to move forward. Doug was a remarkable man and a great role mode.

“ Jennie, and all of Doug's family~ I worked with Doug at PageNet in the mid-90's. While I had not had contact with him in many years, my memories of him are very fond ... and strong in my mind. He was such a GENUINE person - and he made me laugh. I remember also, Doug talking happily about his brothers, Tadd and Brent, from time to time. May all of you find comfort in your memories of Doug. I'm so sorry for your loss. I remember him as a truly great guy. Peace.

“ Dear Jennie and family of Doug, I wanted to express my deepest condolences on learning of the passing of Doug. Doug and I met at Forest around 8 years ago, and even though I live in Virginia, we kept in contact - not about Forest, but important things - football, Emerald Isle NC, family, etc. We didn't speak often enough, but I will miss those conversations. Doug was an awesome person. I am so sorry to hear of your loss. Again, my deepest sympathies. Dean Burris

I'm also sure that his Grandma Mary and Grandpa Harold were among those first to greet him as he passed through Heaven's Gate.... We all will miss his genuine smile and boyish charm, but will never forget the happy times we have shared here at the ranch and at family gatherings. Aunt Janet and Uncle Frank*
