*When I moved from Cleveland to Columbus to attend OSU Duane was my first friend I met. As a native he showed me all the great things about Columbus. After graduation in 79 I moved to Chicago and he came up to hang with me. He was a great friend with a wicked sense of humor.*

*I just learned today that we lost duane. I was already missing him because of social distancing. So grateful I had him as a friend.*

*Rest in heaven and peace Duane. I will never forget our wild 1980's and Max 'N Erma's days. We got old but we were still cool. Your sense of humor was the best. I'm grateful that you were in my life.*
