“ *Dan and family: Our prayers continue for comfort as you cope with this difficult loss. It was our pleasure to get to know Dwacka when we lived in Columbus years ago. You were all blessed with a wonderful lady. We have always felt very welcome when with the Dillons and Dwacka was certainly the foundation for that warmth. I look forward to seeing Dan in person soon.*

Warmest Regards

“ *Dan and family - I just got word and had no idea about Dwacka's cancer. I am greatly saddened and send deepest sympathy. Dwacka and I go back to church connections in the late 1980s. Then we reconnected through the Building Industry Association. Everyone can attest to her spirit, intelligence, enthusiasm, compassion, and dear sweet beauty of a person, both inside and out. Our love and best thoughts go out to you all at this time. Cherish your precious memories of one terrific lady.*

“ Dan, my thoughts and prayers are with you and your family. I remember Dwacka as an attractive intelligent, enthusiastic lady, who was also a wonderful mom. I had the pleasure of meeting her when our FCCS unit had our Christmas party at the restaurant in Delaware. May she rest in peace! Kathy Dougherty

“ My deepest, heartfelt condolences to Dan, Jamil, Ishan, Amira and all the Dillon Family. In my line of work I meet many people and can honestly say Dwacka was one of those rare, special people most of us only get to meet a few times in our lifetime. Her energy, enthusiasm and love of life were contagious and my interactions with Dwacka were always a high point of my day. Even her fight in the end was exceptional beyond comparison. It is difficult to believe this earthly flame could be extinguished, and she will be missed immensely. However, I know that the brightness of her soul will shine on while she serves a higher purpose.
