“ *What a comfort it must be for you to know that God took Dad home without suffering here. We'd all want to to leave by falling asleep here and waking up in the presents of Jesus. We're praying for you and the family for we know you'll all miss Lee. I for one will always remember him as the teller of "corny" jokes.*

“ *Our sympathies, Jim and Triceine. When a parent dies, it's like a library burning down--so much is lost. Our hearts are with you, rejoicing that he's with the Lord but recognizing the void that will be there. May the God of all comfort fill your hearts. -Terry & Sharon*
