“ *Uncle Dick, as a young kid I always looked forward to your visits when you somehow could find a quarter behind my ear. As a young man I had great respect for your achievements and would listen intently as you spoke so eloquently of your work. Later on in life you entertained my children who to this day remember quarters found in pony tails and behind ears. You will be missed by many and joined by more who await you. Goodbye and see you again someday in the future.*

“ *It was a pleasure knowing Dick Phelps. I was his secretary when he served as Labor Relations Manager at National Electric Coil for quite a few years. He was a wonderful man and gentleman. I also had the pleasure of knowing him through the Order of the Eastern Star. He was always positive and kind to all. I pray God's richest blessings upon his family during this difficult time. He was an inspiration to us all. Lynda Chambers*
