“ *Edith McGlinchey came from meager beginnings in Washington Township in Jackson County to go on to graduate from Ohio University, become a career elementary teacher and travel the world! She is a testament to what a person can do in their life and has set an example for all us.*

*She held everybody (me included!) to a very high standard, her own! I think of all the people she affected and is still is affecting, even after her passing. That is her Legacy.*

*Thank you. I always joke that half the third graders were afraid they would get Mrs McGlinchey for the fourth grade - and half of them were afraid they would not.*

RIP Ms. McGlinchey (my fourth grade teacher 1982) She taught me to not believe what everyone says. I found her to be extremely passionate and I still think about her impact today- She would sometimes end a sentence with the word (aye) which made me think she was of true irish spirit.

“ Mike and Family,

Jim and I are so sorry for your loss. Edith was an amazing woman. Independent, thoughtful, filled with stories of adventures with your dad. We loved to visit, we always had so much fun taking her to dinner and just enjoying the moment. We shared her wanderlust, so she loved to hear about our travels. When she was no longer travelling, she gave us one of her suitcases. It goes with us wherever we go, and we know she is with us always in spirit. We will miss her, she was truly one of a kind. Love to all

“*Dear Mike & the rest of your family, we are very sorry for your loss. Aunt Edith was a very unique and independent woman. As a child I always liked her red hair and sense of humor and I can remember thinking it was amusing that a woman enjoyed having a beer, or two. We shared a common appreciation of education and I always respected that she (and her sister, Clara) were college educated women even though many ladies from their era were not. Both of them used to preach to me the value of an education which I took to heart. My dad always looked forward to their weekly phone calls in the years before he passed and I know those calls brought him much joy. He liked to talk about their conversations about the good old days and also keep her updated about us, mainly about Sam. She used to send little notes to Sam in her Christmas cards and he grew up knowing those were from his great, great aunt who had red hair like him. I talked to your mom a few times after I lost my dad and was sorry to hear about her cancer. She kept a positive attitude and preferred instead to tell stories about them growing up & would talk about how much she loved & missed dad which was comforting to me. Thank you for bringing her to dad's 70th birthday party which I think was the last time they were able to be together, although I hope & pray that they are having a happy reunion now. Your mom was a fun and spirited lady & will be missed. I wanted you to know that we are thinking of you and share your sadness. May the Lord comfort you in the days and weeks to come. With sincere sympathy, your cousin Tammi (Leasure) Meier & family.*
