“ *I did not know Edna very well, I only met her a few times. I worked with her granddaughter, Melissa and my daughter, Jennifer Reitter, worked at Trillium where Edna resided. However I will always remember that Edna made the best chicken salad. I still use her recipe. I am sure she will be missed by everyone who knew her.*

“ *I loved Edna from the moment I met her... she was my first resident at Trillium Place and I enjoyed spending time with her as we looked forward together at how amazing her social life would be once her new home was built. After I left Trillium I was worried I wouldn't see her, but she invited me to her 90th birthday party and I got to see her dance ~ what a joy! She was an amazing woman with a passion for life and a dedication to her friends and family. She could talk for days about how caring, thoughtful and loving her kids & grandkids were and the impact they had on her. I'm praying for peace for the family as we all know that Jesus was eager to meet this woman face to face to say 'well done, good and faithful servant'. Rest in Peace Edna, In Christ, Leslie*
