“ *Tribute to my Uncle Ed*

Uncle Ed was always kind and generous to me. He was always interested in my life. He never judged me. He was always supportive and helpful.

I can remember all the wonderful times we had. My dad, Ron, would drive "us" (me, my mom, sister, Melanie, and my Nan) to Uncle Ed's and Aunt Barbara's house in Union. They would always plan a fun filled week for us whether it was riding the rides at Bowcraft, going to the zoo, going out to dinner, or going to the Ice Capades we always had lots of fun and lots of laughs! Uncle Ed would pick up our favorite ice cream for a late night snack, sitting around the table sharing stories.

I mostly enjoyed going to the Poconos! I have lots of memories spending time with Uncle Ed while he was getting the fire ready at the campsite. We enjoyed our laughs and stories. He took us sight seeing all over the Poconos; Apple Valley, Shohola Falls, and Three points just to name a few. He also would take us for a cruise around the lake for hours in his boat. It was very relaxing! No matter what we were interested in doing he would make sure we were able to do it.

I am so glad my boyfriend, Randy, met my Uncle Ed! We enjoyed our visit at the campsite and again when Randy drove us out to Ohio on Thanksgiving weekend!

We will miss you dearly, Uncle Ed, but we will always remember the good times!

*Love,
Tiffany*

“ *My Uncle Ed*

*My Uncle Ed
Was very dear to me
His kindness & sense of humor
Was easy for anyone to see*

*I remember every holiday when I was very young
Uncle Ed, Aunt Barbara & Little Ed would come down
They brought awesome presents and we ate together
It was great having them around*

*He attended all my piano recitals
And he videotaped my birthday parties in the yard
He never missed a holiday
Or sending me a birthday card*

*My favorite thing to do in the summer
Was to go to Aunt Barbara & Uncle Ed's campsite
We would play games & swim during the day
And roast marshmallows in the campfire at night*

*When I got older
Uncle Ed had lots of great advice
He told me to follow my heart and dreams
Talking to him was always inspiring & nice*

*He was talented in art
And drew a beautiful cover for my book
I couldn't wait for him to email it to me
So I could have a look*

*To me, my sister, my mom and his family
He had so much love
I know he is in heaven now with nan
Smiling above!*

“ There are so many memories from the 50 years that we were privileged to be friends with Eddie. Frank and I started dating a little before Eddie and Barb started dating --so we had many double dates with them and became the best of friends for all these years.

The New Years Eve parties we hosted together were made successful because of Ed's art talent and his dedication to selecting and recording the best music for the night. The fun we had preparing for these events sometimes outweighed the actual party.

Our beach fires and their campfires were always nights filled with laughter.

Their son Ed and our son Frank were always in Ed's thoughts. He tried his best to steer each of them in the right direction.

If Ed was worried about something, he would always ask Frank for some of Frank's "Who Gives a Sh-- Pills". This past summer when Barb and Ed came to our house, Frank asked Ed if he needed some of these pills. Ed refused saying he could get them himself now because they were generic and covered by Medicare!

Whenever the four of us were together (and it was often) not only would there be cream puffs but laughter would be in abundance....especially when Ed would roll his eyes at someone or something.

Ed was a wonderful man; giving, kind and considerate. He loved Barbara and young Ed deeply, as well as his daughter-in-law Jennifer and his two beautiful grandchildren, Emily and Liam.

We thank God we had some time with him a week ago and will treasure his love and friendship for the rest of our lives. Rest in the eternal loving arms of God dearest and best friend....until we meet again in the Kingdom of Heaven.

“ My brother, Ed, was so good to me! When we were young, he made up a “Puppet Show” before I went into the hospital for my heart operation!

When we went to school (I was in first grade) he would run alongside the bus because we only had enough money for one fare. He would give up his lunch time with his friends to be with me. Every day I looked forward to seeing him at the school lunch room and have lunch with me.

We always enjoyed Holidays, Birthdays and Special Occasions! We were always together. He would let me sit with his friends to listen to him in his band! We would have so much fun playing games, such as Monopoly, Sorry, Life, Scrabble, and many more!

When he went in the Navy, I missed him very much. I would write to him often, and when he came home on leave, my mom and I would bake him his favorite chocolate chip cookies and a delicious cake with very special chocolate icing. He then would set up his films and show us where he went in the Navy and films of the US Independence Air Craft Carrier he was on.

It was a wonderful time when he married Barbara! Molly & Bill, Ed & Dot and myself were a very close family and enjoyed the Holidays together! Eddie was the first grandchild and my first nephew and a delight to all of us! Then came Tiffany and Melanie, and as our family grew we always had such fun at the Campsite in the Poconos and always enjoyed Birthdays and Holidays! And we can't forget the joy of having “Blackie” “Finley” and “Dusty” as our loving pets!

My brother was a very kind, loving man. He was always there to help. He did many things in our home to improve Nan's apartment downstairs and mine upstairs. And every Christmas he came down to put up the Christmas lights outside and did a great job! He was a good son to his mother and she was very proud of him!

He was thrilled when his Grandchildren were born! He loved Emily and Liam very much! He sent me some DVD's of them which was such fun to watch! He thought the world of both of them and they made him very happy!

Ed and Barbara shared a very special kind of love (which could only have been made in heaven)! They did everything together and were always there for each other. They share much joy and happiness!

He always welcomed you in his home and he was the most gracious host! He was a wonderful son, a very special brother, a loving husband, and a great grandpa.

It has been an honor for me to have such a very special brother. I will always love him with all my heart!

Your loving sister, Joan
