“ *I loved spending time with Ted and Jane when I started driving Mom and Dad (Bob and Mary Knight) to South Haven MI to open the cottage at 317 for the summer . We would also be there with Cynthia and Dick Randall ... and I remember Ted would have Cynthia Randall and Mom in tears with laughter . He was a skilled joke and story teller and for me his memory will live on in the soul of 317 N. Shore Dr.*

*I am so sorry for your loss ,
