“ *Dave, It has been years since I have seen you or your father. I no longer live in Columbus and it was only through chance or fate that I picked up a Dispatch and learned of your fathers passing. The shock and sadness is tempered by more than a few good memories, some of which I'm sure your father did not consider good at the time. We could on occasion be a handful. Hoping the years have been good to you and your family and thinking of you in this most difficult of times. Dan Pierce*
