

Edward R Schaefer Jr.

August 19, 1950 - July 26, 2017

Edward R. Schaefer Jr., age 66, of Delaware OH, passed away on Wednesday, July 26, 2017. He was born on August 19, 1950 to the late Edward R. Schaefer Sr. and Betty Bicknell. He is survived by his wife, Margaret Schaefer and son, Edward "Trip" R. Schaefer III and sister, Mara (Don) Beskin. Also, his sister-in-law Bobbie (Mike) Schilling and their sons, Joe (Joyce) Schilling and Tony Schilling. He also leaves behind other special family members who held special roles throughout his life. Trip's good friend, Paul "Pickle" Mohler was always considered a "second" son.

Ed graduated from Princeton High School in Cincinnati where he was editor of the school newspaper, attended Ashland University and graduated from the University of Cincinnati with an MBA. Ed was a Bronze Palm Eagle Scout and loved being involved in the Scouting program and was very proud when Trip also became an Eagle Scout. Ed enjoyed his time in helping coach baseball and football while Trip was in grade school and middle school.

Ed was always the Chief Chef at all of the family and social gatherings, but never wrote down a recipe! His favorite gatherings were the OSU parties in the Boys' Club. He made sure that all those who came always felt welcome and had a great time!

Ed loved the outdoors and enjoyed fishing at Lake Erie and his fishing trips to Pog Lake in Canada, and also his pheasant-hunting trips with friends throughout the United States. Ed was an AKC Field Trial and Hunt Test Judge and competitor. He enjoyed watching both his dogs and competitor's dogs run

in the field doing what they were bred to do. He was a past President of the Associated Bird Dog Clubs of Ohio and the Miami Valley Vizsla Club. He was also, a longtime member of the NRA.

With over 40 years with Liebert Corporation, Ed had many titles. Most recently, as the Senior Customer Advocate. This was his favorite as it was most important to him to keep the rep organizations and the customers first!! He deeply appreciated all the friendships he made through the years. He always said the way to get things accomplished is to "coach".

However, Ed's most important titles were Dad and "Uncle Ed" to so many kids ...they all loved him!

“ *I was sad to learn about Ed's passing. I first met him back in 2000 at a scheduled FDO service meeting. We hit it off and had a few things In common. We were born the same year, we both have a deep voice and we both had one son very close in age. He was an extremely personable man and was a plaeasire having known him.*

“ My dearest thoughts are with the family of Edward. It is sad and hard when a loved one dies. But it says in Isaiah 25:8 "God will swallow up death forever and will wipe tears from all faces."

“ Ed is someone I will miss dearly and have great respect for. There was never an instance he declined to respond when it was necessary for me to ask for his help, or to simply speak to him to dig through the encyclopedia of knowledge he held in his white haired head. Occasionally the first response was "why don't you know that" to which I learned to reply "because I'm a power guy" and then we would laugh and move on. Our customers have lost an advocate and I will miss a friend. My condolences to Margaret and Trip, as well as the other family members. *John Waltman*

“ *Roni and I were saddened to hear of Ed's passing. Spent lots of time with Ed when I first joined Liebert years ago as Ed was the type of person that took the newcomers under his wing and made them feel comfortable and taught them the ropes. Spent time with Ed and Margret up on Lake Erie, where they had a trailer parked, fishing for Sheephead that he told me were Walleye. Haven't seen Ed in years but he is someone you will always remember.*

“ Although I did not know Ed well, I felt I did from the stories my son(Pickle Mohler) and his best friend Trip told me through the years. We did meet on several occasions and my wife and I went to the boys club a couple of times for Ohio State football games. Ed treated us as though he had known us for years and I am very glad to have known him. He always treated my son as his and spoke well of him. You will be missed Ed, by all that knew you.
