“ *This message is especially for Janie. I am the man that sat next to you on the airplane from Cancun to Detroit. As I said then, I am so sorry for your loss but so convinced that God will bless you even in the midst of losing your beloved, Edwin. I am also convinced that God connected us that day as saw Him glorified in the stories you shared with me on the plane. I trust that his Spirit will continue to work there as the body of Christ in Grand Rapids, Michigan prays for you, your family, and your ministry...all of us "walking by faith" together.*
