

Eileen Bunner

October 4, 1948 - April 7, 2020

Tuesday, April 7th, in the early morning, Eileen Louise Bunner passed away due to the complications from ALS disease. She was 71 years old. Eileen was the youngest of three daughters, from the Long family of Sulfur Springs, Ohio. A graduate of Colonel Crawford High School and the Columbus Business University, she started her career as a secretary for the Ohio State University-College of Education. Moving on, she worked as an administrative assistant across Columbus before retiring in 2006 after many years with Nationwide Insurance. Eileen grew up loving horses, exploring the outdoors, and turning her hand at whatever craft she could find. Remarkably industrious, she perfected calligraphy, macramé, stained glass, cake decorating and a host of other hobbies. She also developed a huge love of cats, fostering many and loving her own. Survived by sons Ryan Taylor Bunner (Holly McGarry) of Dublin, Ohio and Brice Alexander Bunner (Stephanie Edmonds) of Columbus, Ohio and seven grandchildren (birth order): Aidan, Dillon, Atherton, Quinn, Edmond, Sebastian, and Crimson. Also survived by her eldest sister, Laretta Snyder and preceded by older sister Vivian Eaton. Due to the Coronavirus, a memorial service will not be held for Eileen. We ask in lieu of any tokens of memorial, to consider donations to the ALS Foundation of Central Ohio in memoriam Eileen Louise Bunner. The support of this chapter staff and volunteers was amazing and would be most appreciated. Contributions can be mailed to: The ALS Association Central and Southern Ohio Chapter 1170 Olde Henderson Road Ste 221, Columbus, OH 43220 Donations can also be

“ *I have many special memories of Eileen. We had great times in band (she was a great oboe player) ,running around in her Volks Wagon,and just "hanging out" at soumber parties etc.. She had an infections smile and a heart warming "giggle". I will miss her but am glad she is at peace with her Heavenly Angels and is no longer suffering.*

I worked with Eileen for many years at the Nationwide Data Center. We had great lunches together and lots of laughs. Such a very sweet person. My sympathy to her family.
