“ To Jim, David & Coleen,

*I am so very sorry for your loss! Jumping/playing in the leaves at your house and playing endless hours in the camper are some of my very favorite memories of my childhood. Your house was like a second home for many years! Our neighborhood was a great place to grow up and people like your mom are what made it so great. She will be greatly missed and I am sure you all have many fond memories of her. You are all in my prayers!*

“ Jim, Dave and Coleen,

*I have so many great memories of growing up in the neighborhood with the Webster family. If there was trouble to be found, we found it. I'm sure we added numerous grey hairs, but your mom always had a smile on her face and took our nonsense with a grain of salt, She was a wonderful woman who will be greatly missed. You're all in in our prayers.*
