“ *Steve, I just found out about your Mom's passing yesterday. I was in Minneapolis last week for a conference and to receive our National CAPRA accreditation award. I am so sorry for your tremendous loss. She must have been a wonderful Mom to have raised such a wonderful son. I hope that your fond memories of your Mom will sustain you in your loss. Keep in touch. We miss you at the DCRC and golf. Rosemary is moving away shortly, so we want to invite you to her goodbye dinner. In sympathy, Barb Cody-Burkholder*

“ I went to school with Eileen's children and her house was always open to her family and all of their friends. She seemed to welcome everyone and shared whatever she had. She was kind to me and I have never forgotten that. Eileen was a special person and will be missed. My sympathy goes to all of her family.

“ The entire Lynn family has my deepest sympathy. Mrs Lynn was always so nice to me over the years. Steve and I would travel the country playing tournament golf with the full love and support of his family. Steve, you have my thoughts and prayers. Andy Horn
