“ *Dear Jan, My father and I wish to express our sympathy for the passing of your mother. My father, Leo Mitchell, was a second cousin of Eileen. My father is from New Straitsville, Ohio--close to New Lexington where your mother grew up. I can remember as a child visiting your grandmother, my Aunt Daisy. My father is just a year older than your mother and recently moved here to Columbus to an assisted living apartment. He does not get around too easily, and therefore is unable to attend the service, but he did want to at least send his condolences to you and your family. Sincerely, Sally Rader and Leo Mitchell*

“ *A sweet and loving person has left us. I will miss teasing Eileen about sitting on her porch rather than getting a job. I will also miss her forthright, always well-meaning honesty. No one could serve it up like she did.*
