“ *I have known Elaine over the years working for my current company & also through a previous employer 19 years ago. I was so sad when she told me about her illness & now her passing. She was always so dedicated to her job - even calling me from the hospital! She was a wonderful, caring woman and my thoughts and prayers go out to her family. God Bless & be at peace Elaine.*

“ My dear friend John, We are very saddend to hear about Elaine. Elaine always had smile and a hug for everyone she met. I believe Elaine realized that we do not determine our time together on this Earth and we must make every minute count. The old saying goes, "be good to each other" and you both were. Our sincere sympathy to you and your family. Russ & Marilyn Hartley

“ To my dearest "baby" cousin, Heartfelt tears of love are being shed across the miles for you as I cannot be there to give you hugs and comfort. I enjoyed Elaine's company when we all visited together years ago. 'Your' years together will always be bookmarked in your heart and now she rests "peacefully" so hopefully in time knowing that, it will be a comfort in your soul since she has so struggled each day. I love you very much and will always hold you dearly in my heart. Please know you are thought of at this time with my deepest sympathy and condolences. Cousin Linda

“ *Hi, I am an old classmate and from of Elaine's from Jr. High and High School in St. Albans. We go way back as friends. I also lived in the Columbus area for over 30 years but only saw Elaine once. We used to have lots of fun when she lived on McKinley Ave. I will remember her in my thoughts. So sorry to hear the news.*
