I shared an apartment with E Square on Mt Hope av in Rochester NY during 1962-1964. We had some great times. In 1964, John McWharf, Eldon, and I drove John's '56 Chevy from Rochester to Glacier National Park. We stayed with his family in Columbus, ND for several days. E Square drove us through his dad's wheat fields into the borderless Canada. It was such a pleasure to meet his parents and siblings.
