“ *I had the pleasure of working with Ellie at Morning View Care Center in the 1990s. She was a ray of positive sunshine and the definition of compassion to her residents and coworkers. Nursing has lost one of its finest and heaven has gained a nurse angel. Rest in peace my friend.*

“ *Eleanor was my best friend forever!!! We grew up together and were inseparable during our school years. We would not talk for several years and then when we did, it was like time had not passed. Her parents, sister and brother were like my second family. Billy would love to talk to you if possible. 607 761 6483. Sending my deepest sympathies to son Raymond and family and Billy and family. She is someone I will never forget and also Jane.*

“ *I met Ellie in Lompoc CA, our children Keith and Ray jr. went to the same school. I didn't know anyone as I had just moved there. Every day Ellie would want to walk to pick up the kids with me. She started talking about Jesus and being Jewish I truly didn't want to hear her message. She never gave up on me, she was patient, kind but unrelenting, lol. She is the reason I love Jesus with all my heart. She even bought me my first bible. I owe her more than I could have ever repaid. She was a joy to be around and her smile and laugh brought sunshine to a gloomy day. I know she is dancing with Ray and just in awe of sitting with Jesus. Love you my friend, you will be missed....*
