“ *My condolences goes out to the Stepp and Byrd families. I worked with Eli at Nationwide and we remained friends after I left the company. He was a GREAT friend, who always kept me laughing. He had the biggest heart. When I moved to NC he checked on me periodically to make sure I was ok. That is just the type of person he was. I was saddened to hear of his passing and I will miss him greatly. Rest easy, my friend...Laresa*
