“ I just heard of Bethany’s death. I am so sad and devastated to hear of it. She lived in my house for a few weeks while she was getting settled in Yellow Springs and she housesat for me as well when I was on vacation. I loved getting to know her. She was such a fun, caring, smart, wonderful woman. She was so excited about her new house and was so happy to move to yellow Springs. And then the pandemic hit. I felt like she was just really starting to settle in when that happened. I want her family to know that I will truly miss her. She was a beautiful spirit. Linda Sikes
