“ *I was so sorry to hear about Betsy. She was a great friend and I will always cherish the great times we had together growing up. I will always remember her as a kind and generous person who would do anything for her friends. I wanted to let you know that even though I cannot be there today, that I am thinking of the entire family and will be praying for all of you. I will continue to think of all the great times Betsy and I had together. sending all my love. Rachel*
