“ *"Aunt" Sally and "Uncle" Eugene... So sorry for the loss of Sister Ellen. My memories of her are locked in time... tall and reserved but with an easy laugh. I can see her sitting in the breeze-way on a hot summer day at Aunt Sally's, visting with the clan while the men take turns adding ice and salt to the ice cream maker and the kids play freeze-tag all around the yard.*

“ *We did not know Elisabeth. We surely consider Sally Haxton and Eugene Neds our friends. We send you warm thoughts and prayers. It is not always easy to see the ending on earth here of dear loved ones. Praise the Lord for His gift of Eternal life with Him in a place that is much better even beyond our imagination.*
