“ *Memories! So many. Don't even know where to start. But those summer days at Lake Erie, watching you ski behind your dad's boat, and the whole family working the New Year's Eve parties at "The Dale" are the one's that really stand out.*

*Brother John's reaction when I told him says it all: "But she's just a kid. I use to go beach-combing with her on the shore of Lake Erie not too long ago."*

“ *The death of Mrs. Ellen Ann Stainbrook is one of the most devastating experiences a family can face. At times, the loss may seem unbearable. Please know that there are those who care and more importantly Psalm 34:18 tells us that "God is near to those that are broken at heart. He is the God of all comfort. My prayers are with you and your family.*
