“ *I'm going to my mom so much. I'm so glad that u have so many memories of our time together. All our trips luncheons taking her to the kids grandparents day school event listening to her talk about her childhood & when she left home all the stories. Her Saturday night music with the Gaithers' I'm glad that I took those opportunities with her for I'll never forget them. I love u so dearly mom & will miss u tremendously but will see u again someday.*
